

RECREATION COMMISSION AGENDA
Wednesday, October 12, 2016

1. CALL to ORDER – reading of the Sunshine Law
2. ROLL CALL
3. MINUTES – September minutes attached for approval
4. CORESPONDENCE – None
5. GUESTS -
6. RECREATION BUSINESS:

Director's Update – Fall programming update see attached

Punch List (Old Business)

1. Roller Hockey/Skate Rink – The Roller Rink grand opening ceremony was a grand success! Still waiting on feedback regarding a proposed location to re-locate the storage container. The facility use ordinance will be amended to include language for required insurance and payment for organized use outside of the Recreation program.
2. Community Park Playground –DPW continues to complete maintenance on the playground. I'm in the process of ordering 2 new tot- lock swings. We have 18 benches in the playground area of which 8 need replacing in 2017. We also have 10 benches; all double width of which at least 2 need replacing in 2017. All benches are metal framed with wood slats. I recommend we replace all benches with the same bench we placed in the 9/11 memorial area by the VFW building. The cost to replace all benches will be added to the 2017 capital budget; however I am proposing to set up a fundraising drive to go out to our Non-profits and families in town who would like to donate a bench in memory of a loved one. They can pay for the bench and we can pay for the plaque to be inlaid on the back rest of the bench.
3. Community Park Turf replacement update- At the 10/11 Township Committee meeting the Committee will be reviewing my recommendation to replace the Turf this November with the available monies set aside in capital. The Engineering Dept. has begun working on the contract plans and specifications for the turf field in case permission is granted to move ahead.
4. Camp Dawson Barn update - Per the request made by the Recreation Commission and Broncos organization to investigate the feasibility of updating the Barn and snack stand, our engineering Dept. is currently looking at the upstairs floor plan.
5. AED training update- pending

New Business –

1. Community Park grass fields condition update-
2. Operating/Capital Budget – Preparing initial request this week

Completed Punch List Items-

Camp Dawson netting update- Mark repaired the damaged areas

Community Park water fountain repair update- DPW repaired both fountains that were vandalized.
