Welcome to our summer issue of the Montville Messenger. In this issue is your information guide to this year's Fourth of July celebration. Please take a moment to look over the schedule for activities that interest you and your family.

This year, as you can imagine has been a difficult one with respect to budgets, taxes, and continuation of essential services. Still, even with all the difficulties occurring around us, Montville Township continues to be a top rated community.

Our Township is blessed with hundreds of dedicated volunteers who donate their time and funds to our many worthy activities, such as the athletic programs, scouting, parent-teacher and civic organizations, historical preservation, and life safety.

While these volunteers reap the inner satisfaction of volunteering; the citizens of Montville are spared the additional taxes it would take if we had to fund these programs. Imagine for a moment if we did not have volunteer firemen, volunteers for our ambulance squad or how about the athletic organizations that raise the funds to improve and maintain the various facilities. Thankfully we still do and many of these volunteers are 3rd and 4th generation, especially in the fire departments around town.

In today's world our time is limited. The citizens of Montville Township still come together for a good cause such as the "Relay for Life" recently held on June 12 and 13 to raise funds for cancer research.

As we welcome the summer months the Township Committee would simply like to acknowledge and thank all of our volunteers for their dedication to our wonderful community.

Best Wishes
Your Township Committee

MONTVILLE TOWNSHIP JOINS SUSTAINABLE ENERGY PROGRAM

On February 26, 2009 the State of New Jersey launched the Sustainable Energy certification program. The Township of Montville was one of the first ninety municipalities in New Jersey to register for the program. We must complete activities in 13 categories in order to become a Certified Sustainable Jersey Community. Activities include programs such as the Creation of a Green Team, conduct energy audits for municipal facilities, and determine the municipal carbon footprint. Grants are available to support a number of these activities.

2009 CAT LICENSES NOW DUE

June is the renewal month for cat licenses. All cat licenses expire at the end of June 2009 and are subject to renewal during the month of June. License forms will be mailed to homes of previously licensed cats in early June and should be checked for accuracy, changed where necessary and returned to the health department with the appropriate fee and proof of current rabies vaccination and spay/neuter certification, if not correctly indicated on the form. If a cat owner does not receive a renewal form or if additional applications are needed, blank forms are available at the health department located in the Municipal Building or off the township web-site (montvillenj.org) under Municipal Services-Forms.

Rabies expiration dates that expire before April 1, 2010 will require new immunizations prior to licensing.

Should you have any questions on the Montville cat licensing program, please contact the health department at 973-331-3316.

UNITED STATES 2010 CENSUS UPDATE

From now until the end of June 2009, United States Census Bureau workers will be canvassing Montville Township to verify information for the 2010 census. All Census Bureau employees are required to take an Oath of Office, carry official identification, and wear an official badge. They will also be using a small handheld computer (HHC) to collect address information. The workforce will walk or drive through neighborhoods and may knock on your door to verify a house number and/or the number of housing units on a property. They will NOT be asking for any personal information about any individual or group living at an address.

Please be aware that there may be Census Bureau workers in your neighborhood through the end of June. They will have identification displayed and readily available. If you are unsure if someone is a census worker, please don't hesitate to contact the Police Department at 973-257-4300.

MONTVILLE TOWNSHIP CHAMBER OF COMMERCE and the Law Office of Casha and Casha co-sponsored its 15th Annual Senior Seminar for our Montville Seniors on May 20th, 2009. The event was held at the Senior House in Montville, and was attended by over 190 seniors. This year's program focused on "Fueling the Brain, Body and your Bank Accounts, and Defueling your Oil Tank"! Attendees were treated to a presentation on health and nutrition, and they were made aware of programs sponsored by the State of New Jersey to provide assistance with underground oil tank removal and gas & electric bills. This year's event included a panel discussion presented by representatives from our local financial institutions, each of whom had the opportunity to speak about interest rates, FDIC coverage and their offering of financial products. As with previous year's seminars, this year's seminar would have been possible without the support of our local businesses and Chamber members, as well as our loyal group of volunteers and township staff. Even in these lean financial times, our member businesses provided donations, both monetary and gifts, to help make this year's Senior Seminar a success. To all who have worked this year and every year – thank you!

The Chamber and the Montville Township Committee are beginning a joint effort to encourage local buying with the 3/50-*"Pay It Forward"* Project. It's easy - think of 3 local businesses you would miss if they were gone. Every \$50 spent at each business monthly returns \$68 back into our community in the form of tax revenue, local payroll, community sponsorships and more!

Our monthly Info Luncheon and Networking Meetings held on the second Tuesday of each month at the Columbia Inn continues to provide an excellent opportunity for area businesses to meet, eat, hear speakers on a variety of topics, and making additional contacts in the community. In an effort to help keep businesses involved, the Chamber has presented its own "stimulus program" and has LOWERED the cost of the lunch to \$18.00 for members, \$20 for non-members. There are no Info Luncheons during July and August; we will begin to meet again on September 8th – mark your calendars!

The Chamber of Commerce is proud to present \$1,000 scholarship awards to two Montville High School seniors again at this year's Senior Awards Ceremony. We are happy to assist our future business leaders as they continue their education in college and beyond.

Lastly, save the date! On October 6th, 2009, the Chamber of Commerce is proud to sponsor its 17th Annual Golf Outing – now our 2nd Annual Golf Tournament. Winners at this year's event will receive tournament jackets and their four-some's names inscribed on the tournament cup displayed at the municipal building. Join us at 1:00 pm for a shotgun start at the Knoll "West" Country Club in Parsippany. Look for more information to be mailed at the end of the summer.

Below it, in smaller white text, is 'Tony Speciale', 'Reliable Automobile', and 'Service since 1976.'. The main body of the ad has a dark blue background with white and yellow text. It reads: 'Highest Quality Gas At The BEST PRICES!', 'Award Winning Industry Leader Producing The Highest Quality, Cleanest Burning Fuels Available', and 'Montville Township's 1989 Businessman of the Year Award Chamber Member.'. At the bottom, there are two columns of white text: 'Montville Valero 187 Changebridge Road Montville, NJ 973-335-5338' and 'Service Hours M-F 8-5 SAT 8-2'.

Poppy Day Sales

Montville VFW Post 5481 would like to thank all who purchased poppies during the recent Poppy Day sales program. All monies collected are used for the welfare and rehabilitation of hospitalized military veterans. A big THANK YOU for your generous support.

Memorial Day

The Memorial Day program conducted by the Montville VFW Post on Saturday, May 30th, was well attended and paid well deserved tribute to Montville military veterans both past and present. The Post's program was the only one in Morris County to be held on the true Memorial Day, May 30th, and the Post continues its drive to have Memorial Day returned to its original date.

Local Military Troops Return Home

We are pleased to report that a large group of local Marines and Army members have returned home after serving in Iraq and Afghanistan. Their duties varied as they served in their various military specialties and they all brought honor to themselves and their local community.

Grave Location Project

The local VFW Post, working with students from Lazar Middle School, embarked upon the third year of a grave location project. The purpose of this joint project is to locate the grave sites of Revolutionary and Civil War veterans buried in the three cemeteries in Montville Township. Due to the passage of time, most of the are poorly marked, and the Post hopes to obtain new, permanent markers so that the long departed military veterans will not be forgotten and will be accorded the honors they deserve. It is estimated that over 50 Civil War veterans and a half dozen Revolutionary War veterans are buried in Montville Township cemeteries.

Grave Decorations

As has been its custom since the formation of the Post, members of Montville VFW Post 5481 spent a day placing American flags on the grave sites of all of the military veterans buried in the five cemeteries located within the Township. This year we are pleased to be assisted by a group of students from Lazar School.

Freeholders Honor County Veterans

The Morris County Freeholders are continuing their program of honoring the county's veterans by presenting them with Morris County Distinguished Military Service Medals. Since the program began in 1999, the freeholders have presented more than 8500 medals to veterans who served active duty during various conflicts, or to their family members if they are deceased. Veterans or their family members can obtain an application form by calling the Morris County Veterans Service Office at 973-285-6866.

Surviving Spouses Due Payments

A glitch in VA's computer system that wrongfully denied benefits to surviving spouses of veterans for 12 years has been fixed. VA began sending out retroactive payments in December and has established a toll-free call center to answer questions. Those eligible for retroactive payments – between \$100. and \$2,500.- are the surviving spouses of veterans who died after Dec.31, 1996. VA says the total value of the payments is about \$24 million.

For more information, contact the Survivors' Call Center at 1-800-749-8387 between 7 a.m. – 7 p.m., Mondays through Fridays. Inquiries also may be submitted at www.vba.va.gov/survivorsbenefit.htm.

MICHELLE SULLIVAN SOFTBALL TOURNAMENT

From May 1st through May 3rd, Montville Baseball & Softball Association hosted the 11th annual Michelle Sullivan Fund Girls Fastpitch Softball Tournament. At the time of her death, Michelle Sullivan was 12 years old and sports were a big part of her life. The Sullivan family created the Michelle Sullivan Fund in 1993 in her memory for the purpose of promoting athletics for young girls. All proceeds from the softball tournament go to the fund.

The tournament organizers thank the 46 teams and over 500 girls from ages 8 to 14 who competed in this year's tournament making it the largest in the Michelle Fund history. Teams from Morris, Sussex, Bergen, Middlesex, Essex and Passaic counties played a combined total of 110 games with five champions crowned. Five teams represented Montville in the tournament with the Montville Gold Lady Mustangs finishing second in the 10U bracket. Together, we raised \$8800.

The 2009 champions are:

	Champion	Runner-up
10U	Sparta Blue Diamonds	Montville Gold Lady Mustangs
12U-A	New Jersey Sparks	Randolph Rage
12U-B	Ridgewood Raiders	Rockaway Rampage

25 YEARS OF SERVICE TO MONTVILLE TOWNSHIP PUBLIC LIBRARY

Lorrie Brnic, a 25-year staff member of the Montville Township Library was recently honored by the Mayor and Library Board of Trustees. Pictured from left to right are: Vincent Sacco, Acting Library Director; Edward Ernstorm, Trustee; Deb Nielson, Mayor; Lorrie Brnic; Donald Kostka, Trustee; Peter King, Trustee; and Thomas Mazzaccarro, Trustee.

MPP's primary goal is to raise money toward building a new animal shelter in Montville.

Montville's July 4th Celebration - Stop by our booth to get the latest information and see the plans for the new shelter!

Kitten Season – It is kitten season at the Montville Animal Shelter. Many kittens born each year end up as homeless pet at the shelter. Remember all cats, especially those that are let outdoors and also feral cats should be spayed or neutered to control the population.

Annual 50/50 Raffle - Win up to 5000! Watch for our sale locations around town.

TOWNSHIP COMMITTEE HONORS JAGDISH "JACK" DANG

At their meeting of March 24th, the Mayor and Township Committee presented Dr. Jack Dang with a Proclamation in recognition of his published book, "Ruminations: Memoirs of a Psychiatrist from India."

Dr. Dang has been a resident of the Township for over thirty years and was named Citizen of the Year by the Chamber of Commerce in 1991. He is a member of the Kiwanis Club and served as a volunteer for many years on the 4th of July Committee.

Dr. Dang was born in India and as a young boy suffered from polio. He came alone to America in 1966. When his daughter suggested he write something for his grandchildren to remember their roots, he began writing a time capsule-line journal, which then culminated into the published book, "Ruminations: Memoirs of a Psychiatrist from India."

Pictured above, from left to right are Art Daughtry, Township Committeeman, Jean Bader, Township Committeewoman, Jack Dang, Tim Braden, Township Committeeman, Mayor Deb Nielson, Deputy Mayor Jim Sandham

Celebrate Independence Day MONTVILLE TOWNSHIP

TRAFFIC ALERT Montville Township **Independence Day** **Celebration 2009**

From Montville Police Department

The 2009 Independence Day Celebration will begin **Thursday, June 25**, with **The Carnival** at the **High School** and **Polka Dot's "King of Green" Family & Kiddie Show**.

Friday, June 26, **The Carnival** will continue along with **Parrot Beach**, as well as **The British Invasion** performing concerts during the evening hours at **MTHS**.

Residents should expect to see **heavier than normal traffic in and around the High School** area during these dates.

- On **Saturday, June 27**, the bulk of the Independence Day Celebration will take place. • The events begin at 6:30 am with registration for the **5K run**.
- The run will begin at 8:00 am at the **Montville Library** located at **90 Horseneck Rd.** and will travel along: **Brittany Rd., East Cheryl Rd., Konner Ave. to the Pine Brook firehouse and back**. • There will be **periodic closures of these roadways to accommodate the runners**. • There will also be a **Fun Run at 9:15 am** at **MTHS**.
- Also at **10:30 am** the parade will begin on **Changebridge Rd. at Gathering Rd.** • The following roads will be closed to accommodate the

parade beginning at approximately **9:40 am: Gathering Rd., Changebridge Rd. to Horseneck Rd. & Horseneck Rd. to Passaic Valley Rd.**

There will be **NO PARKING** designations for: **All of Gathering Rd., Horseneck Rd. from River Rd. to Westminster Ave. & all of Brittany Road.**

Due to the heavy traffic expected during the parade, people attending the **opening ceremonies and circus** are urged to **park at the Trinity Baptist Church located on the corner of Changebridge and Horseneck Road**. There is an access pathway connecting the two properties located in the rear corner of the parking lot. **People who require Handicapped parking will need to arrive early and utilize the High School parking lot adjacent to the carnival**. There will be heavy traffic throughout the day in the area of the **MTHS**, so please allow for extra time.

- In the evening hours, there will be **major congestion in the area due to the fireworks**. • Plan on arriving early and leaving late. • There will be altered traffic patterns and road

closures to accommodate the heavy traffic exiting the fireworks. • Please be patient and plan on long delays. • All streets in the immediate area of the High School will be posted as **NO PARKING** zones to assist with the flow of traffic. • Vehicles parked in designated **NO PARKING** areas **WILL BE ticketed and removed at the owner's expense**. • These areas are: **Brittany Rd., Changebridge Rd., Church Lane, Fox Hollow Rd., Horseneck Rd., Old Changebridge Rd., Passaic Valley Rd., & River Rd.**

Your cooperation will assist in a smoother transition after the fireworks. Thank you for your support. Any questions concerning traffic and parking may be directed to Lieutenant **Rudy Appelmann** or Captain **Ed Rosellini** at **Montville Police Headquarters**.

NO DOGS ALLOWED.

You can reach **Lt. Appelmann** or **Capt. Rosellini** at **973 257-4300** or email: **Rappelmann@montvillenj.org**. **Erosellini@montvillenj.org**.

PATHWAYS KIDS LEARN DINING ROOM AND PAINTING SKILLS AT THE CHELSEA

Residents of the Chelsea At Montville hosted some special helpers during dinner on Thursday, May 14, as boys and girls from Pathways for Exceptional Children worked in the dining room, taking beverage and dessert orders and clearing tables. Others helped paint an apartment.

The Chelsea has a close relationship with Pathways, which serves developmentally disabled and autistic young people. Pathways children visit several times a year for projects that encourage reading and practicing everyday skills.

About a dozen middle and high school aged children, each paired with a teenaged mentor, fanned out through the Chelsea dining room, going from table to table, getting orders and retrieving the food from the kitchen. Later, they cleared dishes from tables.

Down the hall, a room was being repainted with the help of another Pathways group and their mentors.

The group was supervised by Pathways special education teacher Kimen Ryan, volunteer Ellen Oxild and Pathways Project Supervisor Jim Lee. Oxild and Melinda Jennis, also present, were co-founders of Pathways.

WOMEN'S CLUB NEWS

The GFWC Montville Township Women's Club is one of the fastest growing service organizations with a wide range of volunteer activities. MTWC collects food for the needy, sends care packages to local soldiers serving in Iraq and Afghanistan. The MTWC participates in Autism NJ projects, Arbor Day, Computer Recycling, Annual Blood Drive, GCI Girls Career Institute, Cookies Bakes for local nursing homes, Food & Supplies for Food Pantries, Park & Road clean-ups, Read Around the World Day supporters, Montville School Scholarship Awards, Donation of books to elementary schools, Free health screening programs from local hospitals, Collection of Soda Tabs for Ronald McDonald House, Comfort pillows and turbans are created and sewn for cancer patients throughout Morris County. Alexandria Sarra, the chairperson of the program, reports that since April of 2002 over 3,394 pillows have been distributed to local cancer patients. Anyone in need of a "comfort pillow" or turban can obtain these by calling Alexandria Sarra at 973-299-9585.

The Women's Club Installation Dinner celebrated the installation of officers and new members. The event was held in May at the Knoll Country Club. Officers for 2009-2010 are: President: Michele Caron, 1st Vice President: Dr. Tanya Maximoff, 2nd Vice President: Alexandria Sarra, Recording Secretary: Linda Peskin, Corresponding Secretary: Winnie Ingram, Treasurer: Nancy Dyak, Federation Secretary: Alberta Baker.

The evening was made even more special by the surprise visit from one of our Marines who has just returned from serving in Iraq. Gun Sgt Mark Peer USMC presented an American flag flown over Al Asad Air Base in Iraq to the members of the MTWC. He also presented a plaque thanking the membership for their support to all servicemen. Everyone in attendance was thankful for our servicemen's safe return home. It was a wonderful heartwarming gesture from the servicemen we all love and appreciate.

The MTWC is open to all ladies in Montville, Lincoln Park, Boonton, Fairfield and surrounding communities. Meetings are held at Senior House, Route 202, Montville, On the 3rd Monday of each month at 7:00 p.m. – September to May.

For information visit their Website at www.mtwc.org Contact Renee Chirico Membership Chair at 973-668-1004 if you would like to participate and view photos and projects that have occurred during the past year.

MONTVILLE/VALHALLA GARDEN CLUB NEWS

On Wednesday, May 8, 2009, The Montville/Valhalla Garden Club held its Annual Fundraising Event at the Lake Valhalla Club. Evelyn Hoops, Fundraiser Chairman and 2008-2009 President of the Montville/Valhalla Garden Club hosted the event and Mr. Carl Lemanski, Floral Designer, was the Guest Speaker and demonstrated his talent for creating unique and exciting flower arrangements. The event included a basket auction and a wonderful display of member provided culinary treats. Over 200 guests were in attendance for this important annual event which raises funds so that the club can provide programs that are open to public, maintain the Library Garden, and support various Horticultural and Wildlife Groups, as well as local Charities.

On September 9, 2009, please join the Montville/Valhalla Garden Club at 7:00 p.m. at the Montville Senior House, 356 Route 202 (Main Rd) for our program on Rain Gardens (program and refreshments are free). Our Guest Speaker is: Greg Rusciano of Rutgers University, Department of Environmental Sciences. Rain gardens are a beautiful and a beneficial addition to any landscape. By capturing rain-water, they help reduce storm water pollution and protect local streams, lakes, and rivers. This program begins the planning stages of installing a Rain Garden at a public location in Montville Township.

For information regarding future meetings, events and membership feel free to contact: Carla Schan President

TURF THE VALLEY CASINO NIGHT

The Montville Township TURF THE VALLEY Committee is pleased to report that the 2nd annual Casino Night held on May 8th, was a success with over \$10,000 raised towards the funds needed to provide synthetic turf for the High School Stadium field.

Over 100 TTV supporters enjoyed an activity packed evening which included a cocktail hour, dinner, open bar, silent auction, live auction, Tricky Tray, and casino gambling.

The gaming tables were popular all evening as the "gaming enthusiasts" tried their luck at Black Jack, Craps, Texas Hold'em, and several other games of chance. With almost 100 baskets filled with a variety of popular and sought after gifts, 98 attendees went home smiling as an indication of their lucky pleasure. The live auction was also very popular as the attendees outbid one another as they sought to take home some of the great gifts which included parking privileges at the High School for their student children as well as opportunity to take over key school roles for a day.

Behind all the excitement of Casino Night was the desire to provide synthetic turf for the High School Stadium field. Synthetic turf will allow greater use of the facility as well as reducing tax dollars spent on field maintenance, and make the field less prone to injury to our township athletes.

The TTV Committee would like to thank all those who attended the Casino Night, all who donated gifts and services for the evening's activities, all who took out ads for the program book and all who served on the TTV Committee in planning for, and in operations during the Casino Night.

For more information on TURF THE VALLEY, please visit www.TurfTheValley.com To make a donation to this worthy cause, make the check out to Turf The Valley, and mail to Turf The Valley, PO Box 669, Montville, NJ 07045.

SAVE THE DATE- OCTOBER 19, 2009 MTHS ICE HOCKEY GOLF OUTING

Montville Township High School Hockey Association will once again be hosting a Golf Outing on October 19, 2009 at the Knoll Country Club. Local businesses are invited to participate by making donations and becoming tee sponsors. Golfers, please join us!

HENRY DOREMUS HOUSE WINS STATE HISTORIC PRESERVATION AWARD

Montville Township and the Montville Township Historic Preservation Review Commission won the 2009 New Jersey State Historic Preservation Award for Preservation and Restoration of the Henry Doremus House. A ceremony honored the recipients in Trenton on May 28.

This award commemorates and honors the years of work by many volunteers to preserve and restore the house.

The Henry Doremus House, 490 Route 202 will be open Sundays, July 12, July 26, August 9, and August 23 from 1 – 4 p.m.

Why the Henry Doremus Dutch Stone Farm House is significant: (Actually the house is more significant for its architecture than its history and association with General George Washington, Alexander Hamilton and General Rochambeau).

- Architecturally built circa 1760
- Original Dutch architecture; Dutch Stone Farm House
- Jambless fireplace; Significant original architectural fabric
- Site not altered or modernized with additions or dormers
- Never plumbed, electrified or heated

Historically: George Washington and Alexander Hamilton stayed June 25-27, 1780. General Washington was accompanied by 40 aides and 2,000 troops while retreating after the Battle of Springfield. General Washington's expense account notes a \$40 payment to Mrs. Doremus of Pequannock (Montville Township was part of Pequannock Township until 1867). Washington issued three letters from the site (Alexander Hamilton wrote one) and received nine letters there.

French General Rochambeau and troops rested in the orchards August 27, 1781 on a march south to the Battle of Yorktown. They returned in 1782.

The site was recorded by HABS (Historic American Building Survey) in 1938. The property is listed on the National, State, and Local Registers of Historic Places individually and as a thematic district as Dutch Stone Farmhouses. It is also listed on the local register and included in the Crossroads of American Revolution Greenway.

MTHS STUDENTS WIN AT STATE HISTORY DAY

Montville High Students win at State History Day. Montville High students won in three categories in the Annual New Jersey History Day at the state competition May 2. They won at the Northern New Jersey regionals in Paterson and went on to win at the state competition against a field of 800 students. This year the theme was an "Individual in History." The theme changes annually and requires the students to do a paper in addition to either a performance as an individual or group, construct an exhibit, film a documentary or create a web site.

Finals are in College Park, Maryland June 14-18 at the University of Maryland. National History Day has been in operation since 1974 and is run by a Washington, D.C. nonprofit organization.

The winners are listed below along with the category they won in.

2009 New Jersey State Winners

Senior Individual Performance: Abigail Adams: A Lady Remembered; Allison Hartley.

Senior Group Performance: The Wild Rose (on Civil War spy, Sarah O'Neill Greenhow); Betty Glauberzon, Sarah Renfer & Sarah Brodsky.

Senior Website: Karl Marx: Leaving his "Marx" in History; Jude Tungul, Manoj Mathukumaran, Jerry Zhang, David Sherwood & Eric Zilber.

SQUARE DANCING FOR FUN, FRIENDSHIP, AND FITNESS BARN DANCES

Are you looking for an inexpensive night of exercise, fun, and friendship right here in Montville? Residents of Morris County are discovering that it is easy to learn the basic square dance steps and that square dancing is a fun way to stay fit. LAKELAND MODERN SQUARE DANCING CLUB holds Barn Dances which are open to the public at Senior House, 356 Rte. 202, four times a year. No partner or experience is necessary. A caller teaches the steps each time. Square dancing is walking to the beat of the music while interacting with the other dancers in a square of eight people. Anyone can be swinging and sashaying all evening without taking formal lessons. New dancers can attend one or all of these Barn Dances. There is a party atmosphere with Lakeland Squares providing a taste tempting refreshment table, as well as door prizes. The cost is \$5 a person. Children under 12 can dance free of charge with the admission of a parent. Homeschoolers might want to use this as a part of their physical education requirement. The upcoming barn dances will be held on June 30, August 27, and September 29 from 8:00PM until 10:00 PM at Senior House.

CLUB DANCES

Lakeland Squares is a member club of the Northern New Jersey Square Dance Association. There are several levels of skill in modern square dancing. Lakeland Squares dances both the entry level, Mainstream, and the next step higher, Plus, alternating between the two levels at each dance. All dancers who have completed Mainstream and/or Plus classes are welcome at every dance. We dance every Tuesday at Senior House in Montville from 7:45 until 10:15 pm., with the exception of fifth Tuesdays, when we hold Barn Dances that are open to the public, whether or not they are experienced dancers. Lakeland Squares is a very warm and friendly club. Many of the Lakeland square dancers have been dancing together for many years and have formed strong friendships.

SQUARE DANCE CLASSES

You can have all the fun and satisfaction of club dancing by enrolling in Mainstream classes with Lakeland Squares. Every fall we organize classes on Monday evenings. Classes run October through January and January through April. The cost is \$45 per person for each of the two segments. No partner is necessary. Upon graduation in April you can join our club and dance with us weekly. You can also dance with any Mainstream square dance club in the U.S.A. and, indeed, anywhere in the world. The calls are spoken and sung in English in every country! We suggest attending a Barn dance to see what square dancing is like. If you are interested in learning more than the basics, please ask to join the next class. There will be two free trial open houses on October 5 and October 12, from 7:30 TO 9:30 pm at The Church of the Transfiguration located at 9 Two Bridges Road, Towaco, NJ 07082. Please phone for more information.

ST. PIUS X GRADUATES SHINING BRIGHTLY!

St. Pius X School, recognized as a Star School by the Diocese of Paterson, has produced another crop of stellar graduates who are shining brightly in the community.

Of twenty-one graduates, eighty-one percent have enrolled in Honors courses for freshman year at their new high schools. Sixty-two percent of the eighth graders will be attending private high schools, and of those, sixty-two percent will be receiving some form of scholarship money.

St. Pius X School, located at 24 Changebridge Road in Montville, offers classes for students in grades PreK3 – 8, including a full day kindergarten. The School is accredited by the Middle States Commission and has earned the prestigious “Star School” designation in recognition of “cutting edge” educational programs.

The School has also recently announced that four of its third- and fifth-grade students have earned perfect scores the national WordMasters language arts competition conducted in three separate meets throughout the school year. The “highest honors” designation awarded to these four students places them in the top one-half of one per cent of students in their age category in the entire country.

St. Pius X School offers a nutritious hot lunch program, before school/aftercare program, and technology integrated into all classrooms with wireless internet Smartboards. All faiths are welcome. To request an application for the school year beginning in September, or to arrange for a private tour, please call 973-335-1253.

Our STAR SCHOOL Grads are shining brightly!

**Congratulations to the St. Pius X
8th Grade Graduates for your exceptional
achievements:**

- 81% enrolled in Honors Classes for freshman year
- 62% of those attending private high schools received scholarship money

**St. Pius is now accepting new applicants

MUNICIPAL NEWS

MESSAGE FROM YOUR POLICE DEPARTMENT

Fireworks- Illegal and Dangerous

Fireworks are enjoyable and exciting to watch, but each year they injure thousands of people, many of them children, and cause thousands of fires. Federal and state laws prohibit the sale of certain types of fireworks. In New Jersey the statute, N.J.S.A. 21:3-2, prohibits the sale, possession and use of fireworks. It includes a comprehensive list of items that are forbidden, which includes, sparklers (which burn at temperatures of approximately 2,000°F), roman candles and sky- rockets. The sale of possession with intent to sell is a fourth-degree offense. Possession or use is a petty disorderly-persons offense.

TRAFFIC ADVISORY – ROUTE 46

Starting at the end of May, there may be temporary, nightly lane closures on Rt. 46 in Parsippany-Troy Hills and Montville Township for roadwork. The work will be done between the hours of 8:00 PM to 6:00 AM Monday through Friday and 8:30 PM to 8:00 AM on Sunday. One lane will remain open at all times. The work is scheduled to take approximately six months.

MONTVILLE POLICE EXPLORERS ACCEPTING APPLICATIONS FOR MEMBERSHIP

The Montville Police Explorers are currently accepting applications for membership. Applicants must be between 14 and 20 years old. It is a great way to volunteer for our community. SEWER RATE INCREASE

The Township has approved a Sewer Rate increase effective with billings going out on/after April 1, 2009. It was necessary for Montville to revamp the sewer rate structure to meet increases in the sewer budget due to increased costs in debt service and electric rates. Sewer customers will now be billed for sewer based upon water use. The concept here is that the more water utilized, the more sewer is utilized, and that higher users should pay their fair share. Single-family home sewer charges will be based upon winter water use because of the wide disparity between winter and summer water usage. The reason winter water usage is used is to not penalize conventional summer water use that normally does not impact the sanitary sewer system. Examples of such uses are watering lawns and gardens, filling swimming pools and washing cars. Non-residential and multi-family residential customers will be billed on year-round water use. Lower usage customers will actually see a decrease in their sewer bill. High usage customers may see a significant increase in their quarterly bill. Customers without a water meter will continue to be billed a flat fee, based upon the new rate structures average usage. Income-qualified Senior Citizens will continue to receive a discount. In addition water conservation will result in a double benefit of not only a lower water bill, but also a lower sewer bill. If you have specific questions, please contact Water & Sewer at 973-331-3330

Pet Waste Pollutes Our Waters

What You Can Do To Help Protect Our Water

Clean and plentiful water is important to our families, our environment, our economy and our quality of life.

Did you know that animal waste from pets can pollute our waters? When left on the ground, pet waste is washed by rain and melting snow and ice into storm drains that carry it to our rivers, lakes, the ocean and drinking water.

Animal waste contains a high concentration of nutrients as well as bacteria and disease-causing microorganisms that can cause problems.

What you can do

Pet owners or anyone who takes your pet for walks must properly dispose of the waste by picking it up, wrapping it and either placing it in the trash or flushing it unwrapped down the toilet.

Your municipality is required to adopt and enforce local pet-waste laws. At a minimum, your community must require that pet owners or their keepers **immediately** and **properly** dispose of their pet's solid waste deposited on **any public or private property not owned or possessed by that person**. People with assistance animals such as Seeing Eye dogs are exempt.

Make sure you know what your municipality requires – and follow it.

Thank you for doing your part to keep New Jersey's waters clean.

Solutions to Stormwater Pollution

Easy Things You Can Do Every Day To Protect Our Water

A Guide to Healthy Habits for Cleaner Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Make sure you properly store or discard any unused portions.

Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
