Dear Residents and Businesses of Montville Township:

Currently, our society is extremely focused on creating a "Green" environment; protecting our planet and all of its natural resources. Long before we became aware of all the aspects of "Going Green," we became focused on improving water quality and controlling stormwater pollution.

Water from rain and melting snow that flows over lawns, parking lots and streets is known as stormwater runoff. This water, which travels along gutters, into catch basins and through storm drain pipes and ditches, usually is not treated, but then flows or is discharged into local water bodies. Along the way, the stormwater picks up trash (fast food wrappers, cigarette butts, styrofoam cups, etc.) and toxins and other pollutants (gas, motor oil, antifreeze, fertilizers, pesticides and pet droppings). This polluted water can kill fish and other wildlife, destroy wildlife habitat, contaminate drinking water sources and force the closing of beaches because of health threats to swimmers.

Human activity is largely responsible for the stormwater pollution. Everything that we put on the ground or into the storm drain can end up in our water. Whether we have clean water is up to all of us.

In this regard, the Montville Township Committee has enacted legislation to control the pollutants listed above, which can be viewed by visiting the Stormwater Management Page, listed under the Engineering Department on the Montville Township Website at [www.montvillenj.org](http://www.montvillenj.org). All township residents and business should be aware of these codes.

The Township Committee asks every Montville Township resident and business to do their part in helping to keep our water clean and our township Green.

Very truly yours,

Mayor and Township Committee

## THE ONLY CONSTANT IS CHANGE!

Over the past several months there have been a number of transitions among the staff with the Township of Montville. On December 1, 2011 we bid Frank Bastone, Township Administrator farewell in his retirement as he completed 33 years of public service (6 with the Township). On March 15, 2012 the welcome mat was rolled out for the new Township Administrator, Victor Canning. Mr. Canning was previously the Manager of the City of Bellville and has a varied and extensive background in municipal government. On January 2, 2012 Katie Yanke, C.P.A. came aboard as the Township's new CFO/Director of Finance. Ms. Yanke comes to us from the City of Miami Beach and before that she was an audit manager for a New Jersey accounting firm. On July 1, 2012 Anthony Barile, Township Engineer will be retiring after 33 years of public service (15 with the Township). Additionally, Equipment Operator Spooner Peer retired on January 1, 2012 after 38 years with the Township, Robert Menzel, Building Inspector retired on May 1, 2012 after 20 years and Andrew Davnzo, Dial-A-Ride Driver retired on May 1, 2012 after 26 years of municipal service. We welcome those who are new and wish the retirees well!

## CONGRATULATIONS GRADUATES!

*Congratulations to all of you graduating  
from High School and College.  
Best wishes for a successful future!*

## VFW NEWS

### LIVING TREASURES OF MORRIS COUNTY

Montville VFW Post 5481 is pleased to announce that it now has five (5) LIVING TREASURES OF MORRIS COUNTY among its membership.

The LIVING TREASURES OF MORRIS COUNTY program is sponsored by St. Francis Residential Community along with several other Morris County organizations. The program's goal is to recognize Senior Citizens, (over age 75) who reside in Morris County and who have contributed substantially to the benefit and welfare of the county and its citizens.

This year Al Marocco, Senior Vice Commander of the Montville VFW Post was selected as one of the six Morris County residents who were given the title of Living Treasure of Morris County in recognition of his humanitarian efforts throughout the County for many years. Mr. Marocco, a military veteran of the Korean Conflict, now has joined four of his comrades, who in the past were similarly honored. They are: Frank Warholic, Post Commander; Hjalmar Johansson, Service Officer; Walter Bringsauf, House Chairman; and Joe Quade, Americanism Chairman.

### VIETNAM VETERANS

**ATTENTION ---** Military Veterans of the Vietnam War: In 1995, on the 50th anniversary of the end of World War II, Montville VFW Post 5481 hosted the Township residents who had served in the military during World War II. In 2003, the Post hosted the Korean War veterans on the occasion of the 50th anniversary of the cessation of military action in Korea. In both instances it mattered not if the service was stateside or in combat – all were included.

### NO WE HAVEN'T FORGOTTEN THE VIETNAM VETERANS.

The 40th anniversary (1973) of the end of the Vietnam War is approaching and the VFW Post would like to host the Township residents who served, both overseas and stateside, during the Vietnam War. So that we can plan an all-inclusive, long overdue recognition of those who served during this 1962-1973 period, would you Vietnam veterans please send in your name and contact media, (address, phone number, or email address) to: VFW, 132 Changebridge Road, Montville, NJ 07045, call 201-410-5198, or e-mail [airborne1@optonline.net](mailto:airborne1@optonline.net).

*Note: This is not a recruiting device for the VFW, but if you would like to join us, we would be happy to have you.*

*Note: The VFW Post has not forgotten those brave young service men and women in Afghanistan and Iraq. We will continue to keep them foremost in our mind, efforts and prayers.*

## DRUG AWARENESS COUNCIL NEWS

*Students in DAC's REACH program volunteer on Earth Day to clean up around Etta Konner Park in Pine Brook. The students are shown with Youth Services Coordinator Chris Ziolkowski and Mayor Tim Braden.*

The Drug Awareness Council – Municipal Alliance, known as DAC, is a council created under the authority of Montville Township to establish prevention, education and intervention programs to enhance the development of youth in our community. It is comprised of 17 members, including residents, students, police, school and township personnel, and the Youth Activities Coordinator. These volunteers meet monthly with Township Committee and Board of Education liaisons, and together seek out effective ways to prevent substance and alcohol abuse among our youth, disseminate information and raise awareness and involvement of all members of the community.

DAC examines new programs and trends, evaluates ongoing programs, and discusses issues brought up by parents, students, schools and police. We purchase materials for school health programs, maintain a film library for drug and alcohol education, participate in the Montville Township Health Fair, and sponsor in-service programs for school staff. In March, we invited School Superintendent Dr. Paul Fried to attend our meeting to share his ideas for our community prevention initiatives. We look forward to meeting with other community leaders during the year.

We sponsor ongoing programs to benefit students, including:

- **Project Graduation: Friends for Life:** This parent-chaperoned, all-night celebration for the Montville Township High School graduating class has become a tradition aimed at preventing tragedies that can result by mixing drugs and/or alcohol with driving during traditional graduation celebrations. Graduates who attend commit to staying alcohol and drug free during the event, allows them the freedom to embrace the night while securing their own safety. Montville Township was the first school district in New Jersey to offer Project Graduation to its graduates, and is now in its 28th year of the program, which includes a huge array of food, a DJ, special activities, swimming and court sports for the entire graduating class.
- **Project Promotion:** A drug and alcohol free party to celebrate 8th grade promotion to high school.
- **REACH (Responsible Educated Adolescents Can Help):** A program that trains high school students to become peer leaders and role models for elementary and mid

dle school students, leading group discussions on peer pressure, self-esteem, decision making and refusal skills, and participating in a wide range of community service projects.

- **DAC Dances:** Held throughout the year to promote safe social entertainment for students in grades 6-8.
- **Red Ribbon Week:** From October 23-31, we distribute red ribbons to students, school staff, township employees and residents to bring a message of unity toward a drug-free community.

Throughout the school year, DAC selects and sponsors pertinent, appropriate and interactive programs, assemblies, workshops, concerts and speakers. In 2011-2012, the following programs were held at Lazar Middle School:

- **The Real Deal on Turning Yourself Around** — In October, Ron Glodoski, a leading national expert on bullying and substance abuse, shared his personal story with students about how he turned his life around by showing that tomorrow's quality of life is based on today's decisions.
- **Steered Straight** — In April and May, students got a dramatic message about life choices and the importance of understanding the consequences of their actions. Michael DeLeon and his partner John focused on the dangers of violence, drug and alcohol abuse, gang involvement, and criminal activity.

The following programs were held at Montville Township High School:

- **Get a Grip!** — In December, students participated in a multi-media experience to help them see the big picture for their lives, understand that positive self-control leads to satisfying relationships, academic success, and positive feelings about one's self and others. The program addressed bullying, negative influences, and dealing with frustration and anger.
- **Jesse's Journey** — In January, Maureen Morella gave a presentation to parents about her son, Jesse, 19, who suffered irreversible brain damage after a drug overdose in 2004 and is now quadriplegic and confined to a wheel chair. She used a video to focus on the tragic consequences that one bad decision with drugs or alcohol can create.
- **Teen Talk** — This fall, Dari Dyrness-Olsen, MA, LPC, a leading expert in adolescent issues, will address teen drug and alcohol use in Morris County, risky and self-harming behaviors, the role parents play, and strategies for raising "Safe, Smart & Successful Teens" in the 21st Century.

DAC meetings are open to the public and held the fourth Wednesday of each month at 7:30 p.m. at the Youth Center in Community Park on Changebridge Road. We welcome assistance, suggestions, and involvement by township residents and businesses. DAC activities and programs are supported by the Township of Montville, private contributions and donations, and Municipal Alliance grants. Please contact us to get involved or make a donation.

## ANNUAL CAT LICENSES NOW DUE

If you live in Montville and own a cat, you are reminded that you must obtain a license for the cat. Unlike dog licenses that are due in January, cat licenses must be renewed in June of each year. As a pre-requisite to getting the license, the cat must be vaccinated for rabies and the shot must not expire before April 1, 2013.

Last year, in New Jersey, there were more cats that died from rabies than dogs - twenty-two vs. zero. Raccoons, skunks and groundhogs accounted for another 227 cases of rabies as did 36 bats. Licensing helps ensure rabies protection for your pet and also for the owner. A license also tells everyone that your pet is not a homeless stray and can help animal control officers return your pet if it gets away.

Cat (and dog) licenses can be obtained in the Montville Health Department Offices located in the Municipal Building at 195 Changebridge Road. Renewal forms can be downloaded from the township website at [www.montvillenj.org](http://www.montvillenj.org) and mailed to the health department with the appropriate fee. As an added convenience, completed dog and cat license applications can be left in the yellow drop box located in the municipal building parking lot.

Questions on the Montville dog and cat license program can be answered by contacting the Montville Health Department at (973) 331-3316 or the Montville Animal Shelter at (973) 334-6410.

## DOG PARK NEWS

The Montville Township Dog Park Committee will award a scholarship to a graduating senior who displays, in writing, a love of animals and a desire to work in an animal related field. The scholarship is being made possible by the fundraising efforts of the Dog Park Committee. Thank you to several local businesses for their cooperation in our fundraising efforts:

- Melissa Gould – Just Dance with Miss Melissa
- Café Metro, Denville
- Rita's Italian Ice, Lake Hiawatha
- The Red Barn, Towaco
- Bader Farm, Pine Brook

If you would like to see the dogs of Montville Township at play, come to the Park on Changebridge Road around 5 p.m. The park is very active at that time!

*Nick Mangano and Michael Bio, students of the Montville Lazar Middle School recently won and proudly display their Gold Medals shortly after helping lead the Montclair Hockey Travel Pee Wee Blues team to a 4 – 1 victory over the Mercer Chiefs in the CAN/AM 2012 Hockey Tournament in Lake Placid, New York.*

# Solutions to Stormwater Pollution

## *Easy Things You Can Do Every Day To Protect Our Water*

### **A Guide to Healthy Habits for Cleaner Water**

**P**ollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

**As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.**

### **Limit your use of fertilizers and pesticides**

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Make sure you properly store or discard any unused portions.

### **Properly use and dispose of hazardous products**

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.

- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.

- Use natural or less toxic alternatives when possible.

- Recycle used motor oil.

- Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities.

## Keep pollution out of storm drains

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.

- Do not let sewage or other wastes flow into a stormwater system.

## Clean up after your pet

- Many municipalities and public agencies must enact and enforce local pet-waste rules.

- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.

- Make sure you know your town's or agency's requirements and comply with them. It's the law. And remember to:

- Use newspaper, bags or pooper-scoopers to pick up wastes.

- Dispose of the wrapped pet waste in the trash or un-wrapped in a toilet.

- Never discard pet waste in a storm drain.

## Don't feed wildlife

- Do not feed wildlife, such as ducks and geese, in public areas.

- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

## Don't litter

- Place litter in trash receptacles.

- Recycle. Recycle. Recycle.

- Participate in community cleanups.

## Dispose of yard waste properly

- Keep leaves and grass out of storm drains.

- If your municipality or agency has yard waste collection rules, follow them.

- Use leaves and grass clippings as a resource for compost.

- Use a mulching mower that recycles grass clippings into the lawn.

## MONTVILLE TOWNSHIP ENVIRONMENTAL COMMISSION SPONSORS 9TH ANNUAL ARBOR DAY CELEBRATION

The 9th Annual Arbor Day celebration was held on April 27th at the Municipal Building. The event, sponsored by the Environmental Commission, included a poster contest, tree planting, and recognition of the Township as a "Tree City USA." Mr. Hugh Merritt, a long time resident of Towaco, was also honored. His volunteering at Pyramid Mountain, Montville, The Great Swamp Outdoor Education, Chatham, The Audubon Society and educational programs at Cedar Hill Elementary school has brought hundreds of people a little closer and more knowledgeable about the nature around them. He is a Certified Master Gardener through Morris County Rutgers Extension Service. He is involved in an educational outreach programs for special children at Park Lake School in Rockaway, schools in Verona, and Day Care facilities in Montville. Mr. Merritt was a seven year member of the Montville Environmental Commission. He is currently completing his internship at Rutgers Environmental Stewardship Program. His dedication to community environmental outreach is celebrated by all residents who have had the opportunity to learn from this wonderful gentleman.

The Grand Prize Winner of the 2012 Montville Township Arbor Day Poster Contest was 4th grade student Nicholas Leblanc from Woodmont Elementary School. Hilldale Elementary School and Cedar Hill Elementary School had six winners. All the students were at the Arbor Day Celebration and participated in the planting of the ceremonial tree.

The large flowering tree was generously donated by Cording Landscape Design on Main Road in Towaco. Ron Cording, owner was on hand to give tree planting tips and to answer questions regarding care of trees.

The Arbor Day Celebration is an educational, enjoyable and exciting way to end Earth Week. Arbor Day is celebrated all over the United States each year on the last Friday in April.

Montville Girl Scout Troop 041 from Cedar Hill recently visited the Towaco Fire Station. The girls learned all about the equipment used by the firefighters, had a tour of the fire trucks used and were able to try on some of the uniforms. The girls are so proud of our volunteer Fire Department. Thanks to Chief Breeman and Renee for a wonderful tour.

## GIRL SCOUT RECOGNITION AND GOLD AWARDS

Julia Bianco, Serina Bsales, Brielle Cook, Zoe Dickert, Paige Machiski, Lindsey Musto, and Courtney Sonn (in alphabetical order) earned Girl Scout Gold Awards and were recognized on May 6th.

Sunday evening May 6, 2012 was a recognition ceremony of all the very talented Girl Scouts of Troop 1868, now Seniors in High School.

All ten are very active in Girl Scouting, with many of the members of Troop there 13 years. Seven members completed special projects to receive the Gold Award. On tables in the room, each had an interesting display of their project. The audience also had opportunity for watch a video presentation of their project and their reasons for selecting them.

Girl Scout Leaders Katherine Haft, Caren Bianco and Holly Dickert spoke and made presentations, as well as advisor Kathy Fisher. Montville Township Deputy Mayor Don Kostka and Committee-woman Deb Nielson read and presented the Certificates to each recipient.

# Celebrate Montville Township Independence Day

## **TRAFFIC ALERT Montville Township Independence Day Celebration 2012** *From Montville Police Department*

The 2012 Independence Day Celebration will begin **Thursday, June 28** and run through **Saturday, June 30**. Residents should expect to see **heavier than normal traffic in and around the High School area** during these dates.

- On **Thursday, June 28, The Carnival, and Summer Idol** will kick off three days of famous family fun.
- On **Friday, June 29, The Car Show and The Carnival** begins at 5:00 pm with **Free Concerts** beginning at 8:00 pm.
- On **Saturday, June 30**, the bulk of the Independence Day Celebration will take place. • The events begin at 6:30 am with registration in the library for the **5K run**. • The run will begin at 8:00 am at the **Montville Library located at 90 Horseneck Rd.** and will travel along: **Brittany Rd., East Cheryl Rd., Konner Ave. to the Pine Brook firehouse and back.**
- There will be periodic closures of these roadways to accommodate the runners. • Also at 10:30 am the parade will begin on **Changebridge Rd. at Gathering Rd.** • The following roads will be closed to accommodate the parade beginning at approximately 9:40 am: **Gathering Rd., Changebridge Rd. to Horseneck Rd. & Horseneck Rd. to Passaic Valley Rd.** There will be **NO PARKING** designations for: **All of Gathering Rd., Horseneck Rd. from River Rd. to Westminster Ave.**

**& all of Brittany Road.**

**Due to the heavy traffic expected during the parade, people attending the opening ceremonies and circus are urged to park at the Trinity Baptist Church located on the corner of Changebridge and Horseneck Road.** There is an access pathway connecting the two properties located in the rear corner of the parking lot. **People who require Handicapped parking will need to arrive early and utilize the High School parking lot adjacent to the carnival.** There will be heavy traffic throughout the day in the area of the MTHS, so please allow for extra time.

- **In the evening hours, there will be major congestion in the area due to Free Concert and the fireworks.** • **Plan on arriving early and leaving late.** • There will be altered traffic patterns and road closures to accommodate the heavy traffic exiting the fireworks. • **Please be patient and plan on long delays.**

• **All streets in the immediate area of the High School will be posted as NO PARKING zones to assist with the flow of traffic.** • **Vehicles parked in designated NO PARKING areas WILL BE ticketed and removed at the owner's expense.** • **These areas are: Brittany Rd., Changebridge Rd., Church Lane, Fox Hollow Rd., Horseneck Rd., Old Changebridge Rd., Passaic Valley Rd., & River Rd.** Your cooperation will assist in a smoother transition after the fireworks. Thank you for your support.

Any questions concerning traffic and parking may be directed to Lieutenant Rudy Appelman or Captain Ed Rosellini at Montville Police Headquarters.

You can reach Lt. Appelman or Capt. Rosellini at 973 257-4300 or email: [Rappelmann@montvillenj.org](mailto:Rappelmann@montvillenj.org). [Erosellini@montvillenj.org](mailto:Erosellini@montvillenj.org).

## EAGLE SCOUT HELPS STUDENTS WITH SPECIAL NEEDS

Alex Peña of Towaco Built Multi-Media Mobile Learning Centers

Montville Township, NJ - Alexander Louis Peña recently achieved the rank of Eagle Scout. Peña was presented with his award at a Court of Honor ceremony held at St Pius X on March 4, 2012.

More than a year ago, Peña embarked on the project that would test his leadership skills and earn him Boy Scouting's highest honor.

For his Eagle Scout project, Peña designed and implemented the building of four color-coded rolling carts to organize and transport multi-media educational materials. The materials on each cart focus on specific age groups. Peña reached out to local businesses for media devices and equipment in order to complete the carts. His project assists teachers and students at the Regional Day School, in Morristown, NJ, by providing portable learning centers, of age-appropriate media materials. The rolling carts help facilitate educational initiatives.

The Regional Day School in Morristown serves students with learning challenges. Students at the school range in age from five to 21. Each cart houses learning materials including CDs and DVDs that teach reading and math skills.

Peña has dedicated over 13 years to Boy Scouts. The eighteen-year-old began his Boy Scout career in 1999 as a Tiger Cub, at Cedar Hill School in Towaco, NJ. To be eligible to pursue the Eagle Scout Award Peña first had to earn 21 merit badges. In addition to achieving the rank of Eagle Scout, he has also served as a Den Chief and Troop Guide for Boy Scout Troop 1, the oldest Boy Scout Troop in New Jersey.

To complete his Eagle Scout project, Peña managed teams of three to 30 individuals to cut, assemble, paint, and organize the carts. In accordance with Eagle Scout guidelines, Peña coordinated the efforts of corporations, businesses, Scouts and individuals of all

ages to assist in donating supplies, skills, and labor. The Regional Day School's rolling color-coded learning center project required 117 manhours to complete.

"I was surprised by how much people do, and do not, listen to each other," Peña said of the most valuable thing he learned during his Eagle Scout project.

During his project, Peña was a sophomore in high school. He noted that, as he went into the project, he had one concept of how to communicate with others. But, as the project moved forward, he learned that in order to be effective, his communication approach had to be altered depending on the age and experience of who he was speaking with.

"It was a lot of work," Peña said of building the carts, and coordinating the people and details. "But Scouting teaches you a devotion to duty and pride in one's work."

Peña, now a Montville Township High School (MTHS) junior, hopes to one day be a middle school or high school history teacher. He is confident that his experience with his Eagle Scout project will serve him as a teacher in the classroom.

Roughly 2% of all Boy Scouts in the United States achieve the Eagle Scout rank.

Peña is a member of the History and Drama Clubs. He also volunteers as both a kindergarten mentor and a mentor at Pathways for Exceptional Children. Additionally he is an American Revolutionary War reenactor, and an 18th century dancer who performs at history festivals.

On February 7, 2012, the Montville Township Board of Education (BOE) honored Peña with a resolution. Superintendent Dr. Paul Fried, MTHS Principal, Dr. Douglas Sanford, and Montville Township BOE President, Dr. Karen Cortellino, presented the resolution. Cortellino is Peña's mother.

This summer Peña will travel to Germany with his Holocaust and Genocide Studies class.

## HILLDALE'S HEROES!

Laughter and beautiful music could be heard coming from Hilldale School as the children celebrated their 4th Grade Hero Breakfast. This breakfast is a culminating activity for the students as a part of their "Hero Unit" of study. For two months, students researched and studied different people who suffer from disabilities and learned to overcome them. Students chose people like Albert Einstein, Jim Abbott, and even Henry Winkler as part of their research project. They also "researched" a person in their own lives who they consider a personal hero. The children created tributes for their personal hero, practiced and sang songs, and even wrote a heartfelt speech that celebrates the accomplishments of their hero. During the breakfast, the students and their personal heroes shared the morning together listening to music, speeches, and even a few happy tears as the kids honored those who have set a good example for them.

**Vegetative Waste (Grass Clippings, Brush, Leaves)** Vegetative waste will be collected, April through December, on your first garbage collection day of the week.

### White Goods/Metal Appliances (Refrigerators, Stoves, Washing Machines, Dryers)

White goods will be collected on Wednesday following scheduling a collection with Suburban Disposal Inc. Collections can be scheduled by calling (973) 227-7020 to make an appointment. There is no additional charge for this service and please remember to remove all doors prior to placing these items at the curb (not in the roadway).

## ELECTRONICS RECYCLING

In addition to the change in recycling collection, Montville Township residents will now be able to recycle covered electronics (Televisions, Computers & Computer Monitors) at the Lincoln Park Recycling Center, which is located on George Cobb Lane and is open Monday-Friday from 7 AM to 3:25 PM and Saturday from 8 AM to 4:15 PM. This shared service is limited to covered electronics; please bring only televisions, computers and computer monitors to the Lincoln Park recycling center.

## RECYCLING OTHER MATERIALS

In addition to those materials collected through the curbside recycling program, there are a number of materials that must be recycled and may not be thrown out in the garbage e.g. oil-contaminated soil, natural wood waste, motor oil, lead-acid batteries, hazardous dry cell batteries, whole tiles, and cover electronics. Also, there are items you may wish to recycle but are not mandated to be recycled. For detailed information on recycling in Montville Township, please visit the Township's website at [www.montvillenj.org/recycling](http://www.montvillenj.org/recycling).

### AWARE AWAKE ALIVE SAVE A LIFE FROM ALCOHOL POISONING

This law was passed in New Jersey in 2009. It provides limited immunity for underage individuals who seek assistance or help from law enforcement or emergency services in response to an alcohol-related emergency situation.

Many teens refrain from reaching out for help for fear of the consequences of underage drinking violations. The lack of reaching out for help could be a potential life or death situation. One simple phone call can save a life.

This law:

- provides immunity from prosecution for the underage person and one or two other persons for possession/consumption of alcoholic beverages
- the minor who called 911 ( and one or two other persons) must provide their names) to the 911 operator and must be the first person seeking help
- the minors must remain on the scene with the minor in need of medical assistance and law enforcement personnel on the scene
- the person in need of medical attention is also granted immunity from prosecution

### MICHELLE SULLIVAN FIELD DEDICATION AT MANCHESTER PARK

The Montville Baseball and Softball Association spearheaded the project of renovating an old ball field at the Manchester Park in Pine Brook which was dedicated on Thursday, May 3. This accomplishment was possible due to the cooperation and financial support of the Michelle Fund, the Sullivan family, Department of Public Works, Recreation Commission and Township Committee. The field was dedicated and renamed in memory of Michelle Sullivan (a 12 year old softball player) who was tragically killed in September 1993. Due to the efforts of many volunteers and the Department of Public Works' staff the ball field will be used by young ball players in memory of a young girl who enjoyed playing, being part of a team and cheering for her teammates.
