March News & Information

Happy Spring! We are taking advantage of the happily anticipated warmer weather and are working hard at putting together an exciting calendar for 2022! **Please remember to check the bulletin board in the main room regularly for sign-up sheets, trip information and special notices!** You can also find our updated calendar and Newsletter on the Township website www.montvillenj.org and check out our Facebook page for news and information.

The Senior House sponsored a Historical Presentation on March 11th given by local photographer and historian Walter Chorzowski. This fantastic program detailed the history of our Irish Origins! The attendees enjoyed pizza after the program.

Please sign up for our Tuesdays and Thursdays BINGO & lunch and take advantage of this program designed to offer a social atmosphere for our seniors. Grab your friends and join us for lunch and laughs. If you are new to the program or have questions give Nettie a call at 973-316-8560.

We also wanted to let our members know that we have availability for the back room on Wednesday and Thursday afternoons for small group gatherings. We ask that when you use the room to please sign-in as we are now reporting exact numbers of attendees to the Township and need an accurate count of people in the building.
