

Montville Recreation Department's

SAT INTENSIVE CLASSES

for Grades 9-12

SAT MATH INTENSIVE

For those with tight schedules, this 12-hour verbal intensive prep course gives you all the preparation needed to tackle the redesigned SAT math sections in the shortest time possible. During this time we will review critical reading, short and long based passage reading and essay writing; teach you our test-taking strategies and ensure you're completely prepared with extensive in-class practice. We then bolster your testing stamina by offering a free proctored test; all in a small class setting.

SAT VERBAL INTENSIVE

For those with tight schedules, this 12-hour math intensive prep course gives you all the preparation needed to tackle the redesigned SAT math sections in the shortest time possible. During this time we will review Algebra I and II, Geometry and Trigonometry, teach you our test-taking strategies and ensure you're completely prepared with extensive in-class practice. We then bolster your testing stamina by offering a free proctored test; all in a small class setting.

SAT COMPLETE PACKAGE

For those with tight schedules, this 24-hour intensive prep course gives you all the preparation needed to tackle the redesigned SAT math and verbal sections in the shortest time possible. During this time we will review critical reading, essay writing, Alg. I and II, Geometry and Trigonometry; teach you our test-taking strategies and ensure you're completely prepared with extensive in-class practice and 2 free proctored tests in a small class setting. Because we realize that many students are concerned about the college application process the final class is rounded out by our college coach who provides a common application completion session and tips for applying to colleges.
