PARENTS! REGARDING TEAM PLACEMENT:

We cannot guarantee your child will be placed with his/her friends and there is no guarantee your child will be on a team with all kids from their elementary school.

Volunteer Coaches select their team players. Teams are made up of boys AND girls and first organized by where our volunteer coaches live in combination with where the kids will go to school. How many kids register from each school plays a key role in putting teams together and can sometimes necessitate mixing schools. If this occurs, we make every effort to ensure there are a few kids from the same school on each team wherever possible.

You will be contacted by your coaches the last week in June.
