

LEGO ENGINEERING

Calling all 4, 5 & 6 year old Engineers to join our SATURDAY MORNING CONSTRUCTION CREW!

WHO: Ages 4-6

WHAT: Grab a friend and join us on Saturday mornings to socialize, spark your creativity and critical thinking skills while we create and construct many different types of simple machines! Learn how to be a great builder and understand different elements of Engineering. Find out what Levers, Gears, Pulleys and Wheels & Axels are. Have fun making friends on a Saturday morning! We'll build a new project each week using Lego Education materials and curriculum designed for PreK through 1st Grade.

We understand that it's not always easy to drop off your little ones. If you feel the need to be nearby, grown ups are invited to bring a cup of coffee and relax in the room next door while the children practice their independence.

WHEN:

Session #	Day & Dates
1	Saturdays: Sept 14, 21, Oct 5, 19, 26 & Nov 2 (No: 9/28 & 10/12) from 10:00am to 11:00am
