CONTRACTOR SAFETY REGULATIONS

1. Prior to obtaining a permit for road openings in the Township of Montville, the contractor must comply with the following:
 - a). Submit plot or site plan of work site.
 - b). Depict locations of traffic control devices (refer to Manual of Uniform Traffic Control Devices), current edition.
 - c). Describe what type of devices will be utilized on work site (all of which must conform to M.U.T.C.D.), current edition.
 - d). All devices must be positioned in accordance with M.U.T.C.D., current edition.
2. Construction work will only be permitted during time specified on application.
 - a). Emergency situations, or work required beyond the permitted time must be approved by the Traffic Bureau.
3. Streets closed to all traffic must be closed and opened at times specified on application.
4. Traffic lanes closed to traffic must be closed and opened at times specified on application.
5. Construction equipment is not to be positioned on any street after hours unless approved by the Traffic Bureau.
6. When a contractor is requested to supply uniformed police officers, arrangements shall be made through the Traffic Bureau and the officers will be assigned by the Chief of Police.
7. Flagmen Regulations:
 - a). Flagmen, when utilized in construction work areas, shall be equipped with the following:
 - (1). Orange Vest
 - ii). Orange cap may be used in lieu of vest.
 - iii). During warm weather, orange tee shirt may be used in lieu of vest.
 - NOTE: For nighttime conditions similar outside garments shall be reflectorized.
 - (2). Red Flag 24" X 24"
 - i). For nighttime conditions lights shall be used in lieu of flag.
